

GRADE 1C

March Newsletter

Whew! February has been a BUSY month! We have enjoyed Groundhog Day, Valentine's Day, 100th Day and Family Day along with many other exciting daily events. As we head into the month of March we will be preparing for report cards and interviews and looking forward to the coming of Spring.

IN THE CLASSROOM

Home Reading:

Please continue to participate in the Club Reading program. The 15 minutes you spend each evening reading with your child is making a huge difference in their progress. I know it is easy to let this routine slip now that the students are reading, but it is vital to their continued development.

playground

REMINDERS

Our playground will be getting quite wet and muddy when the snow melts. Please send proper clothing to keep your child as clean and dry as possible. Also, encourage them to wear their warm clothing as long as there is snow on the ground.

INTERVIEWS

For those of you who are new to SCA, parent teacher interviews are scheduled in March for the same night of the week you had last time. If that does not work for you, please contact the school office.

SPRING BREAK

Spring Break this year is from March 21st - 30th. If you are planning to go away for a longer period of time than this, please let me know so I can account for your son/daughter.

BIBLE MEMORY

"He refreshes my soul. He guides me along the right path for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me, your rod and your staff, they comfort me." Psalm 23:3-4

SPELLING

March 3 - 'wh" **what, when, live, give,** white, whack, whisk, awhile

March 10 - "ay" **why, where, these, had,** spray, clay, away, okay

March 31 - "ea" **who, which, liked, never,** each, read, meal, east

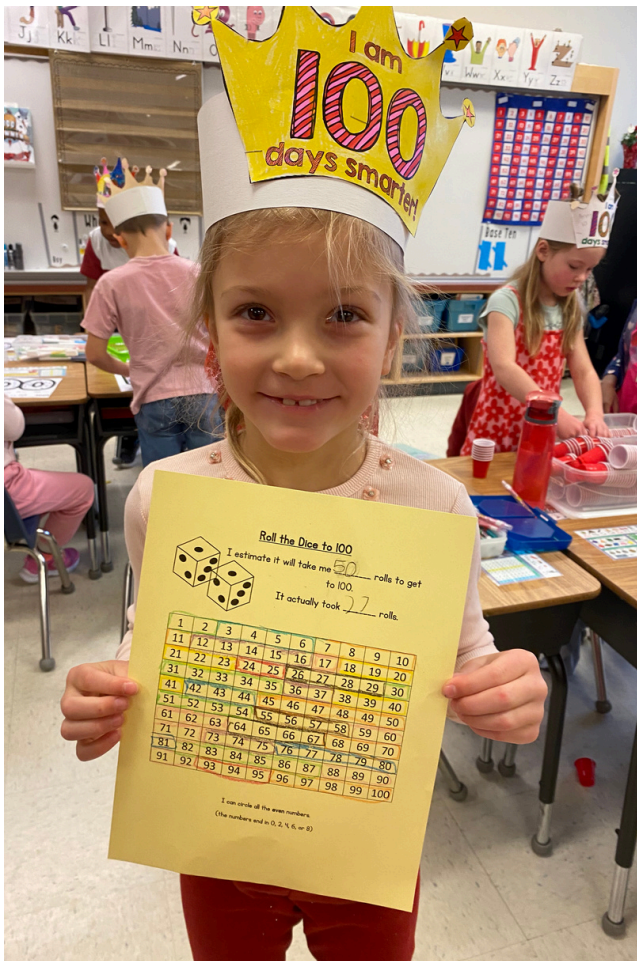

GREEN DAY

On Monday, March 17th we will have a "Green Dress Up Day" much like our Red/Pink Day. We will not be having a party that day, but rather will celebrate with some special activities and our outrageous outfits!

100 DAY

100 DAY

Students had such a great time participating in centres all morning long. Tally marks, dice games, ten frames, puzzles, gum ball machines, 100 day hats, Lego, Fruit Loop necklaces and so much more.

Who knew that the number 100 could be so much fun!
