

1C'S MAY NEWSLETTER

Playground

- Always send a coat with your child. This Alberta weather seems to go from sunny and warm to snowing in between recesses!
- Please encourage your child to refrain from rough play such as tackling, pushing and wrestling. Even if all parties involved seem to be enjoying the activity, there is too much potential for injury.
- Please send a bottle of water to keep our kids hydrated. The classroom can get very hot in the afternoon.

Upcoming Events

May 9 - Arbor Day Field Trip

May 13 - Volunteer Tea

May 30 - Zoo Field Trip

No School Dates

May 2 - Teacher Inservice Day

May 19 - Victoria Day

Reading

Please continue to read at home each evening. We are seeing a wonderful growth in many of the students as they continue to emerge as confident readers. We have been working at reading more fluently and with more expression in our voices. Making our stories come alive!

It is also very helpful if you discuss with your child what they are reading. Stop to ask them to make predictions, talk about the feelings of the characters or have them connect it to something similar in their lives. The more connections they make with a book, the better their comprehension will be!

Zoo Field Trip

On Friday, May 30th, we will be visiting the Edmonton Valley Zoo for the day.

This is an exciting time for students to visit all the animals and their young. Stay tuned for more information.

Bible Memory: Psalm 23:1-6

Announcement

July Birthdays

We will be celebrating the July birthdays during the month of May. If your son or daughter would like to bring in a birthday snack, please let us know.

Arbor Day

On Friday, May 9th we will be heading to Broadmoor Lake Park for some Arbor Day festivities in the afternoon. The Arbor Day field trip enables us to have extra parents along if you can drive yourself there.

If you would like to join us, please let Mrs. Haxby know. It is a such a special memory for you and your child. Mrs. Haxby will inform you ahead of time if you are needed on that day.

Well Rested

As it gets lighter and outdoor activities keep us all out later, please try your best to keep your child well rested for their week of learning. We are already noticing some weary little bodies in front of us some days!

We are really enjoying our time with your children and we trust that they are too. Please continue to let us know if there are any issues that warrant our extra attention. Thanks for reading the newsletter!
