

Classroom News

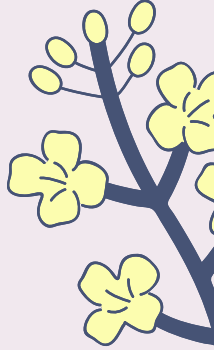

This month in 1C

The sun is shining, the grass is getting greener and we are almost done Grade one! Can you believe it? God has been so very gracious throughout this year and I am so thankful to Him and all of you for making this a wonderful year.

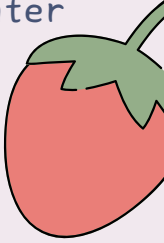

Mrs. Haxby and I would like to thank you for all the words of encouragement you have given us this year. It has been a real joy teaching your children and know that we will miss these precious little ones when they move up to Grade 2! Good thing we will still be in the same hallway each day for the occasional hug.

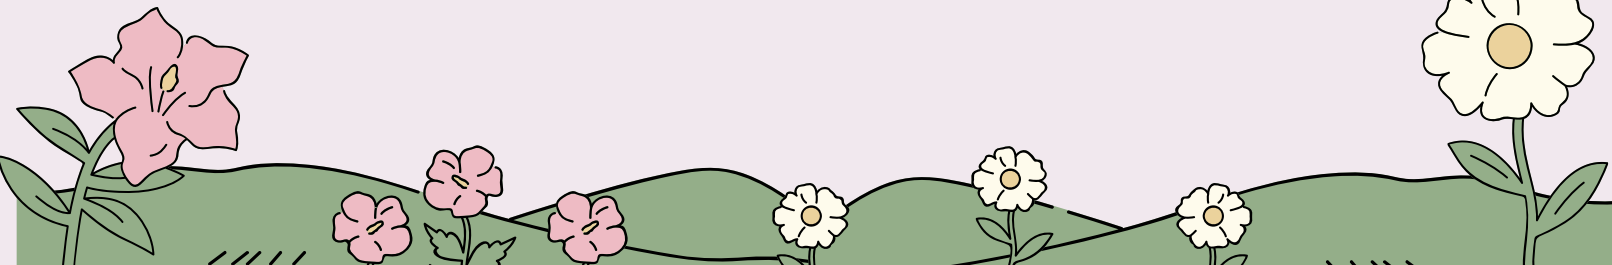

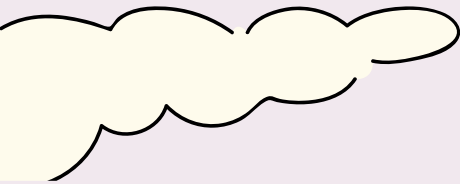

Upcoming Events

- Early Dismissal - June 4
- Track & Field - June 6
- Last Chip Day - June 11
- Last Hot Lunch - June 13
- Elk Island Field Trip - June 19
- Lunch on the Land - June 20
- Year End Chapel - June 20
- Last Day of Classes - 25

Playground Reminders!

- Always send a coat with your child. This Alberta weather seems to go from sunny to warm to freezing in between recesses.
 - Please send a bottle of water to keep our kids hydrated. They are always allowed and encouraged to have one water bottle on their desk at all times.
- 

Language Arts

We had our last spelling test for the year this past Friday. Thanks for your faithfulness in checking these tests each week and for all the study hours you have put in! All your hard work paid off.

Please continue doing your reading each evening. (Even over the summer months.) It is absolutely vital to continue developing our students as emerging readers even as the end of the year approaches. We do not want them to regress in their literacy over the summer.

Last day of Library is Wednesday, June 4th. All books must be returned by Wednesday, June 11th so inventory and book repairs can be done before the end of the school year.

Last Week of School

Please be aware that we will be sending many things home this month but particularly during the final two weeks of school. It would be very helpful if you were extremely diligent in checking your child's backpack each evening if that is not already part of your daily routine. Thanks for your help in doing this. If you have any extra plastic grocery bags, please send them in.

Last Week of School

Wednesday, June 18th will be Teddy Bear Day in grade one. Students are invited to bring their favourite stuffy or teddy bear to school that day. We ask that the stuff animals be small enough to sit on their desk.

Lunch on the Land

On Friday, June 20th, our staff, students and families will be sharing a time called “Lunch on the Land” from 11:30 – 11:55 am in honour of National Indigenous People’s Day on June 21st.

On this day, we invite parents, grandparents, siblings and anyone who wants to come, to join us as we eat our lunches outside and enjoy the beautiful nature that our God has blessed us with. Please send a normal lunch or bring a delicious picnic style lunch and join with your kids for this special event. Though there will be designated grade areas, if a family has kids in different grades, you are welcome to gather and eat together in your own space. You may also want to invite a child who doesn’t have family attending to join your family!

The one thing we ask is that students are not playing on equipment during the eating time. The bell will indicate the end of eating time and students will be free to play during the recess portion of our lunch time.

We are looking forward to sharing in this special time as a school community.
